A Trained &
Certified Tech Will
Travel To You

4

Have Your **Computers,**
Network, & Other
Equipment Fixed With
Recommendations

Key Features

- Local Support
- No Travel Fees To Locations Within Edmonton
- Trained & Certified Technicians
- No Geek Talk
- Simple & Competitive Hourly Rates

Require Help With A Specific Task?

Hire us to complete your specific technical task rather than costly train your current tech.

Do Not Require A Full Time Tech?

Call us to get you up and running smoothly, while doing preventative maintenance.
Not just when things break.

About Us

Established in 2007, TechAlta is committed to providing quality on-site & remote technical support along with many other services to both Residential & Business Clients.
